Durbin related that he has had a propeller strike incident at the field where the propeller hit the ground and broke off approximately an inch from the diameter of the prop.

Jerry Craig – suggested that we send out the meeting notice (with Zoom details) and a reminder of the meeting the day of in order to get the attendance to increase.

Durbin followed up with a proposal for an attendance door incentive to be awarded perhaps from the club supply of RC stuff that has been will to us or from reservoirs of our unused RC odds and ends.

Angus and Jerry both suggested we might consider a relationship with Altitude Hobbies involving gift certificates for the awards.

Durbin decided he would look into getting a \$25 gift card/certificate from Altitude Hobbies ready for the January Meeting.
