

Next Meeting: Saturday, September 7th, 11:00 AM, at the Horton Flying Field

A Letter from the President

Greetings Modeleers

As you may recall, at our August meeting, we called for nominations for the 2010 officers. We received nominations for Vice President, Secretary, and Safety Officer. President and treasurer have **no** takers. Elections will be held at our upcoming September meeting so I hope someone steps forward, otherwise come January 1, we may have to appoint interim officers.

Our August war bird fun fly and BBQ was successful judging from the number of planes being flown and full stomachs. A great job cooking was done by Dave, Diane and Pat. I tried my best to assure there were no leftovers, but failed miserably.

I hope to see you at the field on September 7. If you don't attend the meeting, you may find yourself nominated and elected. You've heard of absentee ballots, well this may be an absentee election!

Again, the meeting starts at 11:00 AM on Saturday, September 7.

Jerry Craig, President (and counting down)

Minutes of the August 2019 Meeting

Date and Location: Saturday, August 3rd, 2019 at the Horton Flying Field.

President Durbin Seidel, Treasurer Jim Ferry, and Secretary David Dust.

Minutes: The minutes of the July meeting were approved unanimously.

Treasurer's Report: Treasurer Ferry reported the club's current checkbook balance is \$3274.58 and the savings balance is \$10,649.82. The treasurer's report was approved unanimously.

Safety Officer's Report: On behalf of Safety Officer Wilson, President Craig asked the membership if there were any safety that they wanted to discuss. Charlie Greeb stressed that it was important to be clear of the propeller when plugging in the battery.

Old Business: President Craig described the repairs done at both of the transitions from asphalt to the geotextile and thanked Vice-President Durbin for leading the effort. Secretary Dust described the repairs to the torn geotextile fabric on the north taxi-way.

New Business: President Craig thanked Charlie Greeb and Secretary Dust for organizing the BBQ for today's Warbird Event.

1. President Craig reminded the membership that the election of the Club's Officers will take place at the September Meeting and opened the meeting up for nominations. Angus Day and Kent Trompeter nominated themselves to be Club Officers; however, Kent Trompeter has since withdrawn his nomination. Vice-President Durbin said he would be willing to be Vice-President this coming year and President the following year. President Craig and Secretary Dust have bowed out to being officers next year. Later in August, Safety Officer Joe Wilson informed the Club's Officers that it would not be appropriate for him to be an officer in the future, due to his limited availability.

Door Prizes: The slew of door prizes graciously donated by Altitude Hobbies/Garret Hultgren (including a Leopard Motor, a LiPo Battery, a 40 Amp ESC, several tubes of CA glue and numerous other items) were given away by random drawing. Please thank Garret Hultgren for his generosity the next time you see him at flying field.

Meeting Adjourned at about 11:36 AM.

Next Meeting: The next meeting will be on Saturday, September 7th, at 11:00 AM at the Horton Flying Field.

Respectfully Submitted,
David Dust

Membership is open to all RC model aircraft enthusiasts who are members of the [Academy of Model Aeronautics \(AMA\)](#). Activities of the club include all phases of RC modeling: instruction, sport flying, club events, and more. A monthly newsletter and yearly membership card is sent to each member. Instruction is offered to new members free of charge. Current AMA membership is required to fly at either club field. Non-club members who are AMA members may fly free two days as a guest of the club.
